Click on the Enrol button on the right, confirm your enrolment, and you will be able to go through and complete the test.

The test will allow you to complete it three times within the current period. The system will only record your highest score, so you are free to attempt again even if you passed to try and get a better score.

If you encounter any issues with using the site or with the exam itself, please contact learningadmin@nzrugby.co.nz for help.
